

### Project #20 – Choir Loft Frescos

281.6

#### St. Rostislav St. Vyacheslav St. Nina St. Natalia

Up in the choir loft, flanking the two south-facing windows is an open wall area that was meant for frescos. In 2020, we received a donation pledges for figures of St. Rostislav and St. Natalia; one on the east side and the other on the west. It was decided that the project should include the completion of four figures on either side of both windows. From left to right: St. Rostislav, St. Vyacheslav (on the east), St. Nina and St. Natalia (on the west). Iconographer, Father Paul Drozdowski has agreed to complete the frescos and install the work.
